

## Kenner CVI

### 2022-2023 Grade 12 Course Selection Guidelines

Please note that these guidelines are for **current Grade 11 students in mainstream classes** at Kenner CVI. International Baccalaureate students will be provided with IB specific guidelines to ensure that their course selections meet IB programme requirements.

1. All students must register for SEVEN (7) or EIGHT (8) courses. Most Grade 12 Students will have earned enough credits to date to allow for at least one spare period, but you still must choose seven or eight courses.

2. All students must choose a Grade 12 English Class at their current level of study.

ENGLISH	ENG4E1 ENG4C1 ENG4U1	English –Workplace English – College English – University
---------	----------------------------	---

3. Students do not require a Grade 12 Math credit to meet graduation requirements. However, many post-secondary programs require Grade 12 Math as a prerequisite. Please check on the specific math requirements for any College or University program to which you will be applying.

MATHEMATICS	MEL4E1 MAP4C1  MHF4U1 **MCV4U1	Math for Everyday Life – Workplace Foundations for College Math – College Advanced Functions – University Only available through elearning. If you want to take MCV4U1 please select ELEARN as a course in myBlueprint and speak with Mr. Blowes.
-------------	--	---

4. All students must select FIVE (5) or SIX (6) electives. Grade 12 elective choices include:
